

Membership Cancellation Policy

Powell Community Center

When purchasing a membership to the Powell Community Center (PCC), the purchaser receives a discount when joining for a set term. If that contract term is canceled, monthly charges will be adjusted to remove the discount.

Memberships Paid In Advance

Refunds will factor in the duration of the membership. The number of complete and partial months that have passed since purchase will be subtracted from the amount paid. 12 MO memberships have a \$36 cancellation fee (see below).

E.g. 6 MO Ad 2 Person Non-Resident membership purchased for \$400. After 2 ½ months the couple moves out of state and needs a refund.

$\$400/6 = \$66.67 \times 3 \text{ mos (1/2 mo rounded up)} = \$200 \text{ kept \& } \$200 \text{ refunded}$

E.g. 12 MO Family Resident membership purchased for \$504. After 3 ½ months the family requests a refund.

$\$504/12 = \$42 \times 4 \text{ mos (1/2 mo rounded up)} = \$168 + \$36 \text{ cancel fee} = \$204 \text{ kept \& } \$300 \text{ refunded}$

12 MO Memberships on Monthly Payments

Notice of cancellation must be 7 days or more prior to the payment due date or that payment will be charged. A cancellation fee will be charged to cancel the 12 MO monthly payment contract. The cancellation fee must be paid before membership will be canceled.
